About Us

ISBMS Education Foundation's, Imperial School of Banking and Management Studies is an institution founded by a group of professionals with an objective to address the growing need of manpower in the banking and financial service industry. The institute is approved by the All India Council for Technical Education (AICTE) and recognized by the Directorate of Technical Education (DTE) to run a 2 year full time Post Graduate Diploma in Management (PGDM).

The institute has been bridging the Industry-academia gap by introducing a curriculum which is designed by industry experts and trained by industry professionals. The institute with its unique pedagogy has been making a mark in the professional education space and has been providing qualitative and skilled manpower to the vibrant industry. The institute strives to create committed and ethical leaders who can set new performance benchmarks as well as have a positive impact on the community as a whole.

Our Vision

To become a leader in management education by building academic solidarity through holistic learning.

Our Mission

- To provide qualitative education through innovative pedagogy in all the aspects of management studies.
- To become the most aspired Institution for producing world class finance professionals.
- To create committed and ethical leaders who can set new performance benchmarks and add value to the society as a whole.
- To chisel finance expert for the Global Capability Centres (GCCs) who can seamlessly work and lead the changing trends.

CHAIRMAN'S MESSAGE

It brings me great joy to introduce our stakeholders to the new-age business school nestled in the vibrant IT park of Pune's Hinjewadi. The state-of-the-art campus, designed in a corporate style, aims to immerse students in a realistic corporate environment. Beyond aesthetics, the campus is equipped with modern amenities, ensuring a world-class learning experience. Imperial, as a business school, is dedicated to producing high-quality professionals for the dynamic industry. We uphold rigorous academic standards and believe in holistic growth. Our students have consistently excelled in national-level management competitions, showcasing their skills honed through participation in rich co-curricular activities. Backed by exceptional faculty and trainers, Imperial imparts industry-oriented training, cultivating highly skilled and employable graduates. Our vision is a 100% industry-oriented curriculum, ensuring our students contribute significantly to both industry and society. Success, for us, means becoming a premier destination.

D. Surya Prakash
Chairman/Promoter
Imperial School of Banking and Management Studies

DIRECTOR'S MESSAGE

It gives me immense pleasure to share another milestone in a great journey. The joy is heightened when the journey is towards a vision. In response to the rapidly changing economic environment and the process of globalisation, the institute has made humble progress in bringing quality perspective to all its activities. Learning and growth at Imperial School of Banking and Management Studies is not only confined to classroom and academic experience but students through participation in rich and varied co-curricular activities. While we feel proud of our achievements, we are aiming to reach greater heights. Our vision is to emerge as a top-ranked management school in India and gradually achieve global recognition as a leading educational institute in the field of management education. Our success in this endeavour would be proven only when our institute becomes one of the most attractive destinations in the nation for acquiring management education first. We are more than ready to welcome all the potential leaders we shall hone at Imperial.

Board of Governance (BoG)

The Board of Governance (BoG) is a statutory body that plays a crucial role in strengthening the institution's processes and practices. As the industry and technology evolve at a rapid pace, it is essential that we continuously refine our strategies to ensure alignment with current trends and future demands. By doing so, we aim to create an environment where our students at Imperial benefit directly from industry-driven initiatives. These strategies, developed in close collaboration with industry leaders, will help prepare our students for success in an ever-changing landscape.

INTERNSHIPS

Winter Internship

Our students undertake a Winter Internship for a duration of 1 month after completing their 1st semester. This internship provides them with an opportunity to gain early exposure to the corporate world, build foundational skills, and understand the practical aspects of their chosen domains.

Summer Internship

After the 2nd semester, students participate in a comprehensive Summer Internship lasting 10-12 weeks. This intensive program allows them to delve deeper into real-world business challenges and apply their classroom learning in diverse industries.

LIVE PROJECTS

Apart from the internships, all our students shall take up various live projects during their course. The students are required to take up these live projects individually/Groups come up with a project report and presentation on the same followed by a viva, which is conducted by industry experts. This ensures practical understanding of the subject from industry's perspective.

I- Connect Alumni Speak

Mr. Ajinkya Teli
BNY Mellon
Batch 2018-20

A place where I found the field in which I wanted to pursue my career. It made me chase my dreams and take that first step.

Its specialty is that the APBF opens the doors to many domains you wish to choose. My mentors have always been the biggest support to me. They have always motivated me and helped me in every possible way. With the support of the institute, I am successfully placed with BNY Mellon. Imperial has boosted my confidence and my urge to study. I feel being an alumnus of Imperial is a responsibility to set some standards and benchmarks for the upcoming batches. Thank you, Team Imperial, for guiding me through and for your love and support.

My time at Imperial School of Banking and Management Studies was transformative. The institute provided a perfect blend of academic excellence and practical exposure, which equipped me to navigate the professional world confidently. From personalized mentoring sessions to insightful industry interactions, Imperial always emphasized on holistic development.

Recently, I had the privilege of addressing the current batch of students. It was heartwarming to see the same eagerness and curiosity that I once had. The institute not only builds a strong foundation for its students but also fosters a culture of lifelong learning and support.

Ms. Sunubia Sajjad
IT Techies Services Pvt.ltd.
Batch 2019-21

Ms. Veena Muley
WIPRO - BLACKSTONE
Batch 2020-22

The course model here at Imperial is meticulously designed with a view to imparting the right knowledge and skills to students to make them fit for corporates.

The interactive lectures, webinars from industry experts, SP opportunities, and advanced certifications added tremendous value to my growth and helped me in securing the final placement at Wipro Blackstone Credit (COE). I am grateful to my faculty members, mentors, and Directors, who leave no stone unturned to make us apt in every way. I am delighted to be a part of Imperial.

The live projects and the specialized courses are designed in such a way that they satisfy all the industry needs.

Faculties are industry experts who not only teach us different theories but also the implementation of that knowledge. If you want to kick-start and enhance your career as a professional, Imperial B School is the place for you because Imperial is all about discipline, dedication, and growth. I'm indebted to Imperial for providing me with a plethora of opportunities and seeding the legacy of success in me.
