## Message from the Technical Director

Greetings Dear All,

The Indian Pharmaceutical Industry has been developing at a phenomenal pace over the years & so is the demand for highly qualified professionals in the field of pharmacy having exceptional competence to take on regional as well as global challenges. Due to the globalization, there have been innumerable opportunities for the professionals involved; associations & partnerships with multinational corporations with endless career prospects leading to professional growth in this vastly booming sector has also witnessed tremendous use of technology in order to meet standards par excellence. At this point of time, It is of paramount importance that we produce dynamic professionals who can adapt & lead 'organizations'. It gives me immense pleasure in the capacity of Technical Director to introduce to you HK College of Pharmacy, established in the year 2006 under the superior leadership of our founder Prof. Javed Khan Sir.

The motto at HK College of Pharmacy has always been to impart quality education to our students ensuring their development at this crucial phase of their career where we lay the solid 'foundation' that helps them sail through the rough waters ahead. I have a firm belief that it's our duty & an essential responsibility as an organization not just to create highly skilled professionals but more importantly, great leaders who would be able to rise up to hurdles & emerge victorious in all endeavors in life.

We at HK college of Pharmacy, offer undergraduate & post graduate courses to students. The college is well equipped with quality infrastructure & experienced faculty who have contributed significantly in the overall growth of our esteemed institution. There has been a great focus on co-curricular and extra-curricular activities also, right from promoting cultural festivities or be it the launch of our annual college magazine which I am particularly proud of for showcasing the laurels of our students at every stage of their journey in these golden years which we happened to celebrate in an exuberant way.

This itself serves as a testimony to what we have achieved so far in terms of academics & co-curriculars. In the coming years, I am quite confident that we shall achieve even more accolades & remarkable accomplishments as we strive to become a top center of excellence imparting pharmaceutical education in the country.

Keep walking & grow together.

**Prof. (Dr.) V. S. Velingkar**
