● **Reasons Behind Choosing FINXL BUSINESS SCHOOL:**

Analysing student potentials & working on their STRENGTHS & WEAKNESS:

Every student has unique skills, and they may not be aware of them due to a lack of industry exposure and the required on-the-job training and guidance.

At FBS, we have designed our programs in such a way that candidate interests and strengths are identified in the first year itself while engaging them in various practical, real-time live business cases and interactions with real clients of Factsheet Inc. and other partners. Also, our team will strive across the program to identify student weaknesses and then work on fundamentals to overcome them.

Performance Measurement :

At regular intervals, we measure each student's performance metrics to check their growth trajectory and overall growth. It will be published every month based on client feedback and on-the-ground performance. Our trainers and industry experts will counsel every student on a regular basis and guide them about the best industry practices and skills required. Industry professionals will brief them about various job profiles and their future growth prospects.

Practical On Job Learning :

FBS offers professional management learning through live sessions, workshops, projects, and internships. Students work as paid interns or employees in their second year, gaining one year of experience and becoming ready for their dream job.

Personal Trainer Available For Every Group (10 STUDENTS) :

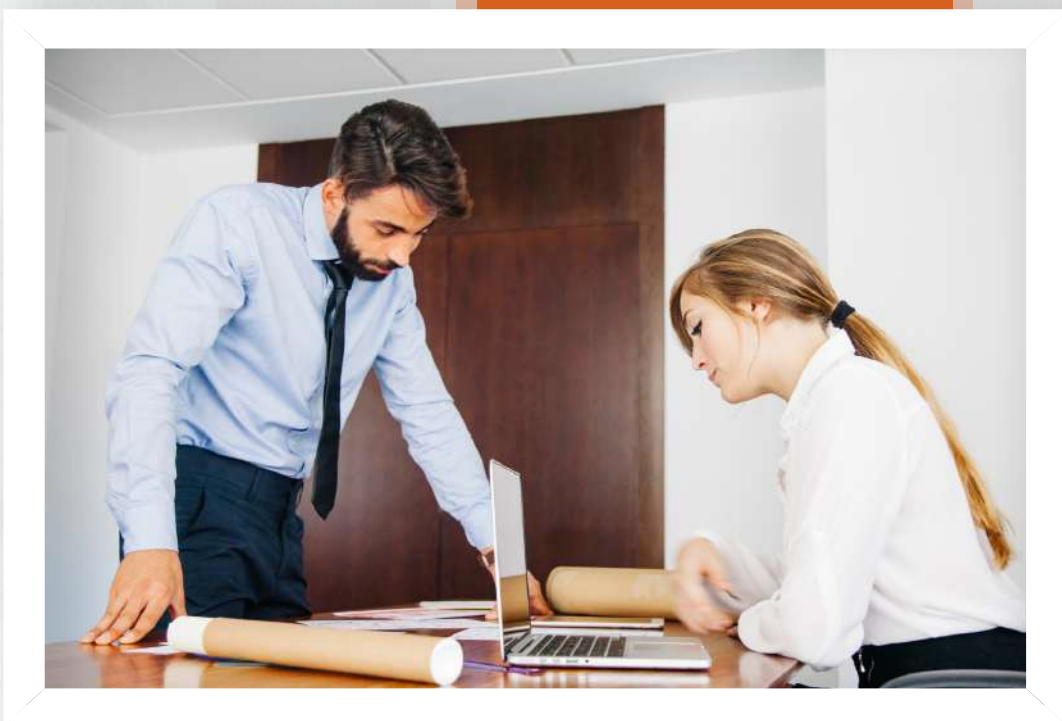

At FBS, we allot a personalized trainer or mentor for every group of 10 students to ensure all students progress equally and learn after classroom sessions. A mentor will be available 24 hours a day to assist and re-train students in case of doubt.

Placement Assistance:

Our placement team & mentors consistently work on every student to make them job ready from Day 1, Our expert will work on -

- ✓ Aptitude test preparation
- ✓ Communication & presentation skills
- ✓ Profile building & narrative for final placement
- ✓ Resume building, LinkedIn profile branding, job portals updation
- ✓ Mock interviews with industry experts
- ✓ Case studies preparation for written test of various top companies

From deciding their best-suited niche to facilitating on-field required skills to having them placed in top-notch global companies where they deserve to be. On average, our students have landed a package of **Rs. 7 LPA**, ranging from **Rs. 3.50 LPA** to **Rs. 17.62 LPA CTC**. Our students are performers from day one at jobs, and employers don't need to provide any handholding training apart from their process or tool-related training.
